LISTEN TO THE EPISODE HERE:

In this episode, we talk with Vaughn Stewart (@vStewed). We cover the all important topic of understanding business needs as a technologist, being a public voice in the tech industry, disruption, and the Pure Accelerate conference that just happened in San Francisco.

Our chat touches on the importance of being a trusted advisor, and some very interesting insight into how to do that in a tumultuous and competitive industry.

Vaughn also gives us one of the most interesting book lists to date!
