LISTEN TO THE EPISODE HERE:

In this episode, we chat with Andi Mann (@[AndiMann](#)) in the first of a two part conversation. Andi brings a wealth of knowledge to the chat on DevOps, the culture of driving change in business and technology. This first part covers the disintegration of IT, spreading across components and architectures, internally and externally; and addressing all the problems that brings.

Andi is the author of [The Innovative CIO](#), [Visible Ops - Private Cloud](#) and a phenomenal contributor to the IT and business community.
