In an exciting chat about the rebirth of private cloud, we talk with Nick Colyer ([@vNickC](#)) and Amy Manley ([@WyrdGirl](#)) on their 2Ninjas1Blog project, succeeding in private cloud, and also the challenges of thinking cloud in a virtualized environment.

We discover some great tips on what the common pitfalls are, and how teams can surpass them to succeed in adopting private cloud. Technology is a strong part of the solution, but the central focus is around people first, process second, and technology as the solution to solve the pain points.
