Join us for a great chat with Ken Hui (@kenhuiny) of Rackspace as we delve into the overall OpenStack community, the results from the Summit, and a little look back over the history of the Summits. Ken brings some great insight into the challenges of the OpenStack ecosystem while highlighting the very important advances we've made. Also, we talk about some of the Rackspace updates from the Summit and in their Developer advocacy area with a few very cool projects.
