Support your local Sheriff used to the common phrase at one point. Today, we need to nurture our IT communities through providing mentoring and coaching to elevate all of the community. In an open discussion, we tackle the challenge of providing content as vendors while avoiding the “pitch”.

[Angelo Luciani](#) is a co-leader of the Toronto VMUG, who also launched the Silicon Valley VMUG and runs the Nutanix .NEXT community.

If you are a vendor who sponsors community events and conferences, this is a must listen. Together we can elevate our message and bring the community with us.
