There is a shift in how we source talent in a world where remote work and the two-pizza team has become something that changed a lot of the world of high tech.

How do you build a community inside the office? Jill Jubinski shares her insights into a widely respected style that she has brought to the industry after hiring and nurturing talented teams at some of the most well know technology firms.

This is a must listen for managers, technologists, and human resource professionals alike. Thank you to Jill for a really great conversation!
