LISTEN TO THE EPISODE HERE:

What's the deal with unikernels?! We had Ian Eyberg of Defer Panic join us to talk about what a unikernel is, why it's an important part of the overall IT strategy, and when you should or should not use them. A great end-to-end discussion that will also open your eyes to new ways of doing some interesting things!

Subscribe and Win! We have lots of chances to win along the way thanks to our great sponsors and affiliates. Most importantly, we have great guests and stories that we hope you find helpful. Drop me a comment any time on this post or on Twitter (@DiscoPosse) including shows you loved, show ideas, guest ideas, or just to say hello!
