LISTEN TO THE EPISODE HERE:

As we shift our focus in the industry to what's next, the decision for us as techologists is to finding our footing in both the past and the future. My thoughts on some of the AWS re:Invent conference and our evolution as architects should plant some seeds on how to build your path towards embracing public cloud in your IT portfolio.

Subscribe and Win! We have lots of chances to win along the way thanks to our great sponsors and affiliates. Most importantly, we have great guests and stories that we hope you find helpful.
