LISTEN TO THE EPISODE HERE:

Have you ever wondered how a VCDX or a CCIE holds down a full time role and also an aggressive learning plan? This informative episode will share tips on how to learn tough topics quickly, and how to embrace a learning plan that will lead to personal and professional advancement. We each share our personal learning styles and tips which will give you ideas on how to map learning to your personality.

Subscribe and Win! We have lots of chances to win along the way thanks to our great sponsors and affiliates. Most importantly, we have great guests and stories that we hope you find helpful.
