LISTEN TO THE EPISODE HERE:

Patrick Melampy of 128 Technology joins us for a chat to discuss the challenges in the world of traditional networking. We go over the 128 Technology solution and why it is an interesting method to solve SDN challenges. Thanks to Patrick for taking the time to review their solution with us and how SDN in general is becoming the next important battleground for both networking customers and vendors.

Subscribe and Win! We have lots of chances to win along the way thanks to our great sponsors and affiliates. Most importantly, we have great guests and stories that we hope you find helpful. Drop me a comment any time on this post or on Twitter (@DiscoPosse) including shows you loved, show ideas, guest ideas, or just to say hello!
