

[Podcast Episode 90 - Om Suthar \(@astr0mnaut\) on SQRL.me \(@sqrme\), Health, Wealth, and Wellness](#)

Om Suthar is the founder of SQRL (<https://sqr.me>) which is a really nifty app designed to create continuous goal achievement by tying steps, dollars, and feedback to achieve holistic happiness.

There is really much more to the product and what Om is doing which we touch in our great conversation, including startup challenges, managing product building and how to effectively begin your side-hustle entrepreneurship opportunity.
