

# [Podcast Episode 123 - Unlocking Wealth and How a Major Life Event Opened up Compound Potential with Curtis Ray](#)

Curtis Ray is the founder of SunCor Financial, LLC and serves as the President and CEO since 2014 when was introduced to the world of financial planning & insurance.

You'll hear about how Curtis started his first business in the granite countertop industry which led to the most significant setback that launched the next phase in his career and life. Our dynamic conversation touches on many subjects including:

- 5 Rules of Wealth
- Value investing using compound interest
- Getting past setbacks in life

Curtis shares a ton of great information including his 5 rules of wealth so this is a must listen for anyone who's keen on understanding the power of compound interest on you and your financial well being. Sometimes the simplest answers are the best, and the right ones. Thank you for sharing, Curtis!
