LISTEN TO THE EPISODE HERE:

Chris Williams (aka @mistwire) works as an Enterprise Cloud Consultant for GreenPages, helping customer design the next generation of Public & Private Cloud, specializing in AWS and VMware. He is an active community member, helping to run VTUG, AWS-PUG and contributes to vBrownBag.

This discussion covers some insightful and proven techniques that have led to the growth of the AWS Portsmouth User Group, the VTUG organizations. More than just growth, this is a great lesson in participating in and leading successful technology communities.
